No. LEP (Shram)-6(3)(C)-8/77.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (Central Act 14 of 1947), the Governor of Himachal Pradesh is pleased to publish the following award of the Labour Court, Himachal Pradesh between a workman namely Shri Raghu Nath, Conductor *versus* the General Manager, Mandi-Kulu Road Transport Corporation, Mandi which was received by the Government on the 21st March, 1979:

AWARD

Shri Raghunath petitioner was employed as Conductor by the Mandi-Kulu Transport Corporation, Mandi. Their Assets and liabilities have now been taken by the Himachal Road Transport Corporation. Shri Raghunath petitioner served in Mandi-Kulu Road Transport Corporation with effect from 30-9-1968 as Conductor. His services were terminated without undergoing the formalities as mentioned in 25F(g) of the Industrial Dispute Act with effect from 1-3-1971. He has challenged his removal from the service as illegal and claimed that he must be declared to be in service and an order should be passed to reinstate him with full back wages and with the benefit of continuity of service.

His claim was not admitted by the respondent management and it appears that the Himachal Pradesh Government has intervened and a reference to this Court has been made by notification dated 7-10-1974.

Following question has been referred to be determined by this Court:—

“Whether the act of the General Manager, Mandi-Kulu Road Transport Corporation in dispensing with the services of Shri Raghunath Conductor without issuing any notice amounts to discharge simpliciter or it amounts to termination/dismissal and whether the above act of the management is justified? If not to what relief and exact amount of compensation Shri Raghunath Conductor is entitled to.”

Notice to the parties was issued. The workman petitioner has filed his claim petition as indicated above. The respondent Management has not filed any reply to this claim in spite of the fact that they obtained various adjournments for this purpose. The respondent absented themselves to appear in this Court on 20-3-1976 and an order for taking *ex parte* proceedings against the respondent was passed. However, the authorised representative of the respondent appeared on 14-8-1976 when the *ex parte* evidence was to be recorded and he was allowed to cross-examine the witnesses examined by the petitioner. After the close of the evidence of the petitioner on 14-8-1978 the respondent again obtained various adjournment to adduce the evidence. He was allowed to adduce the evidence in spite of the fact that no reply was filed to the claim. Again the respondent obtained many adjournments and could produce evidence only on 9-1-1978.

Shri Raghunath claimant has appeared as PW. I and has stated that he joined service of Mandi-Kulu Road Transport Corporation on 30-9-1968 and his services were terminated without observing the formalities as enjoined upon the employers by the provisions of Industrial Disputes Act and he was removed from the service on 1-3-1971. He has also stated that no enquiry was made against him nor he was served with notice nor he was paid one month salary in lieu of notice. He has also stated that no retrenchment benefit has been allowed to him. He has been cross-examined at length but nothing has been extracted from his cross-examination, which may favour the management. In cross-examination however, the petitioner has stated that he remained without service for about 2½ years and that he has now been employed as cleaner on daily wages by the Himachal Road Transport Corporation, for the last 1½ year. He made this statement on 14-8-1976. Thus the workman remained out of job only for 2½ years. In rebuttal, the respondent management has examined Shri Devi Chand Kapoor R.W. I a Clerk posted at Head Office at Simla. He has stated that the petitioner was employed by the respondent

management on contract basis during the period from 30-9-1968 to 6-3-1971. In cross-examination he has conceded that the services of the petitioner was continuous in this period and that no charge-sheet has been served nor any enquiry has been held against him.

Today also no body has appeared for the respondent management to address arguments in this case. I have heard the A.R. of the petitioner.

The question referred to me for decision is simple, I answer it in affirmative. The petitioner was employed with the Mandi-Kulu Road Transport Corporation for the period 30-9-1968 to 6-3-1971. He is therefore in continuous service of the respondent management for more than one year. His services could not have been terminated without following the procedure laid under section 25(F) (a, b and c).

One months notice as required under section 25F(a) has not been served on him nor he has been paid wages for this notice period. No retrenchment compensation as required under section 25(f)(b) has been paid. No notice as required under section 25(f)(c) has been served.

Under these circumstances the non-compliance of section 25(g) (a, b and c) renders the retrenchment of the workman claimant illegal. Reference in this regard has been made to M/s Hindustan Steel vs. Presiding Officer Labour Court, A.I.R., 1977 S.C. 31 and State Bank of India vs. N. Sundra Money Supreme Court Labour Judgments 1976 at page 85.

The workman is therefore, entitled to be re-instated with effect from 6-3-1971 when his services were terminated with full benefit of continuity of his services as Conductor and full back wages for the period of 2½ years when he was without service. As he had been employed by the respondent management itself after 2½ years, I do not think the claimant can be allowed wages for this period as well. I answer the question referred to me in the affirmative, in view of the facts stated above.

No. LEP (Shram)-6(3)(C)-8/77.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (Central Act 14 of 1947), the Governor of Himachal Pradesh is pleased to publish the following award of the Labour Court, Himachal Pradesh between Shri Bihari Lal s/o Shri Karam Chand *versus* The Administrator, Simla Municipal Corporation, which was received by the Government on the 21st March, 1979:

ORDER

Heard. Shri Bihari Lal workman/petitioner has put in his claim for the recovery of Rs.6580/- from the Municipal Corporation Simla. According to his allegations he was suspended from service on 18/6/1971 and a departmental enquiry was held and his services were terminated vide order dated 28/3/1977. He has claimed a sum of Rs. 4,320/- as subsistence allowance at the rate of ⅓ of his pay from 18/6/1971 to 28/3/1977. He has also claimed arrears of dearness pay and subsistence allowance for the month of March, 1977. Only the subsistence for the period from 18/6/1971 to 20/3/1977 amounting to Rs. 4,320/- has not so far been paid to him by the Municipal Corporation respondent. The workman/applicant admits that he has been paid the other amount claimed by him. The Municipal Corporation respondent has not resisted the claim of the applicant/workman for the payment of Rs. 4,320/-. It has only been said that in office procedure the claim of the workman is to be finally settled by the Municipal Corporation and this claim will be put up in the next meeting of the Committee for sanction and that this sanction will be obtained from the Corporation within one month or so. The Municipal Corporation respondent filed a reply on 27/2/1978 and this case has been adjourned from time to time for final settlement out

of Court by the parties. But the Corporation has taken inordinate delay for granting the payment to the workman/claimant. Nothing else is required to be done by this Court. As the Municipal Corporation has admitted this item of claim of the workman and only payment is to be made by the Corporation.

Under these circumstances, I compute the claim of the workman as Rs. 4320/- and direct that this amount may be paid within a period of 45 days from the passing of this court. Failing which the claimant can recover this amounting by taking legal proceedings. The applicant will also be entitled to interest at this amount at the rate of Rs. 6% per annum from today. No orders as to costs.

ORDER

The petitioner was served with the notice to appear in this court on 24.9.78, and the date on 10.10.78. He did not appear in the court on that date. The summons had also not been received till then. ORDER

Heard. Shri Bihari Lal applicant is admitted by a workman of the Municipal Corporation, Simla and his services were terminated. He has claimed 4922/- including gratuity equal to 15 months pay at the rate of Rs. 2700/- and Provident Fund amounting to Rs. 2222/-.

The workman does not press his claim for gratuity. He has given up this claim, *vide* his statement recorded separately. The respondent Corporation has filed the reply wherein it has been admitted that a sum of Rs. 2222/- is due to the claimant as P.F. and towards this claim a sum of Rs. 1157.32 has already been paid to him and the balance amount will be paid when it will receive the sanction of the Corporation. The claimant has admitted in his statement recorded separately that a sum of Rs. 1157.32 has been paid to him as Provident Fund.

The reply of the Corporation respondent was filed on 27/2/1977 and various adjournments were granted to the

Corporation to settle the claim of the workman but it has not done so and the claim of the petitioner/workman has been denied for the last more than 7 months.

In view of the circumstances, I compute the claim of the workman at Rs. 1064.68 as the balance of the Provident Fund due to him and direct the Corporation to make this payment within a period of 45 days from the passing of this order. Failing which the petitioner will have other legal remedy to recover this amount. I allow the petition, also interest at the rate of Rs. 6% per annum from today till recovery. The parties are left to bear their own costs.

K. Sood, Director, Civil Supplies, Himachal Pradesh hereby further direct that the procedure to be followed by Roller Flour Mills for the purchase of wheat in the open market is further clarified as under:—

1. Quantity of wheat to be compulsory purchased from Food Corporation of India by the Roller Flour Mills would be 40% of total requirements based on monthly average grinding done in preceding twelve months is the minimum quantity. Where quantities in excess of 40% are desired to be drawn from the Food Corporation of India, they

will be issued in proportion 1/3 A and B categories and 2/3 C and D categories where C & D categories are not available A & B categories stocks would be supplied. For determining monthly requirements on the basis of average grinding done by Mills in preceding 12 months extra quantities allowed to be ground by Mills under orders issued by Government of India permitting Roller Flour Mills to grind additional quantities upto 50 per cent of their capacity will be taken into calculation in spite of proposed relaxation some of the Roller Flour Mills prefer to draw supplies from Government/Food Corporation of India there will be no objection to their continuing to draw wheat from Food Corporation of India stocks as here to fore. It is further clarified that it is not the intention that the option for Roller Flour Mills has to be either for open market purchases or for purchase for Food Corporation of India in toto. They can purchase any quantity from the open market the only condition is that at least 40% of monthly requirements will be lifted from Food Corporation of India in C & D categories. The purchases of wheat from open market will be made under the supervision of the concerned District Food and Supplies Controller who shall be informed about the stocks of wheat purchased from open market along with rate and place of purchase daily.
